About Globeducate

Globeducate is a network of more than 50 premium international schools and online programmes educating more than 25,000 students in nine different countries and on three continents. Our mission is to prepare each of our students to become a global citizen who can shape the world.

At Globeducate, we believe that our students will only succeed in the world of tomorrow if they are prepared for the challenges they will face. In addition to providing an excellent education, we ensure that our students build **character**, learn **skills** and develop **abilities** beyond the purely academic. Our students have a voice, and we give them the power to act and help build a more equal, fair and sustainable world. We prepare each of our students to become a global citizen who can shape the world.

Our bespoke Globeducate Platinum Standard school quality programme ensures that each of our **25,000 students** from age two to 18 has the best start in life.

Globeducate evolved from NACE Schools, founded in 1972 in Spain. The last ten years have seen significant growth in the group's network and vision. Our global reach enables us to recruit and develop **world-class** inspiring and committed teachers and to offer unforgettable learning experiences for pupils and staff through international and regional events.

Innovative teaching and learning strategies, multilingualism and the nurturing of individual talent are some of the characteristics which make Globeducate one of the most respected, prestigious education providers in the world.

Globeducate Chief Education Officer

Daniel Jones has been Chief Education Officer of Globeducate since 2016 and developed the bespoke Globeducate Platinum Standard quality programme. He spends the majority of his time with teachers and senior management in schools, delivering professional development courses and leading school evaluations. Prior to his role with Globeducate he was Headteacher of Cambridge House Community College in Valencia, Spain, and from 2010 was Inspector, then Lead

Inspector of Schools for NABSS (National Association of British Schools in Spain). A graduate of French and Spanish from Nottingham University, Daniel's early teaching career saw him work as a Secondary Modern Foreign Languages teacher in schools in England.

FAQs

Do all schools offer the same curricula?

Our schools offer a range of curricula including national programmes specific to the location and also options for IB, IGCSE and A Level. We also offer online and homeschooling curricula. All of our teachers are qualified specialists for the relevant curricula.

Do you offer exchanges and international stays?

Yes, some of our schools offer a term or exchange in another country and we also offer Summer School programmes at our schools in Canada, France, Spain, Portugal and the UK.

Do you partner with any recognised international educational programmes?

Globeducate is the first schools group to develop a partnership with WWF, working closely with their education teams in each of the countries we are based with. Each of our schools is also committed to becoming an Eco-School and we work with Eco-Schools in each country.
